<b>Venue:</b>	Department of ICT
<b>In-Charge Faculty:</b>	Dr. Dilber Mehta
<b>Number of Participants:</b>	120
<b>Type of Event:</b>	Professional Gift wrapping

#### **Description:**

Gift wrapping is an art like an icing on a cake. The decoration is just as important as the gift itself, keeping this in mind we had this event organized as a part of Saptadhara where the students decorated their gifts, making them as appealing as possible giving a professional touch to them. This event brought out many ideas and hacks for gift wrapping which can be used in future.
