Event Information

Organized By:	Dr. Dilber Mehta
Time:	10:30-12:30
Venue:	Department of ICT
In-Charge Faculty:	Dr. Dilber Mehta
Number of Participants:	120
Type of Event:	Giving Professional Introduction

Description: PROFESSIONAL INTRODUCTION

As we are aware of the fact that "first impression is the last impression". Thus it becomes of utmost important to introduce ourselves in the best way possible. Keeping this in mind we had this event as a part of Saptadhara where the students gave their probably first professional introduction, including their strengths & weakness, short term and long term goals and much more. The in charge, Dr. Dilber Mehta judged them on the basis of confidence, content and communication skills. This was a constructive event which will surely be helpful in professional life.
